

We offer low sliding scale (\$1 - \$40) fees, with the provision that if possible you will pay this forward with an hour or two of service in your community. Your fee will be based upon your stated financial need and what you feel you can afford. No one will be turned away because of inability to pay.

Because our therapists volunteer their time, there are only a limited number of hours available. If we cannot see you immediately, your name will be placed on a waiting list for the first available opening.

We will check in with you periodically as to your standing on the list.

We serve individuals, couples and families of all ages. We provide compassionate assistance and support with many issues such as depression, anxiety, trauma recovery, post traumatic stress, life's transitions and confusion along life's path.

We are unable to serve the chronically mentally ill, or those with a history of sexual offense or violent behavior.

We do not offer medication or case management.

Healing for Mind, Body and Spirit

Our purpose

Emotional Support

- Could you use emotional support in your life?
- Are you uninsured or having difficulty finding a therapist who accepts your insurance?
- Do you have a high deductible that keeps you from accessing your behavioral health benefit?
- Are you seeking a therapist who works from a deeper perspective or is comfortable with unusual states of consciousness?
- Would you like longer term services, or more frequent services than what you have been able to receive?

We are here to serve

Offering therapy to all who are in need.

Our licensed therapists are volunteers that offer their skills for those that risk falling through the cracks of a system that is unable to serve all.

We are equal opportunity irrespective of age, disability, ethnicity, sexual orientation, gender identity, religious affiliation, or immigration status. Our Center honors all spiritual traditions and paths. Bringing consciousness to the world, one person at a time.

We are here for you –

We hope that you will call on us --
