The Book Group Of St. Paul's meets every Monday evening at 6:30 pm via Zoom.

The St. Paul's Book Group has selected **Waking Up White: And Finding Myself in the Story of Race** by Debbie Irving for our new book to read starting Monday, December 13.

This book is part of the Episcopal Church Sacred Ground curriculum and is being read by our Vestry. It is a book for us to discuss "White Privilege." A book written from the author's personal journey as a privileged white person in the U.S. learning about the racial divide.

The book group feels that by reading the book aloud each week, we will be able to focus on the journey of racial reconciliation, take time to discuss the chapter questions, and learn from each other. Come and join us; books can be purchased, checked out at the library, or you can just listen. **When was the last time you listened to a whole book being read by friends?**

Peace to You,
Call if you have questions or just join in.

St. Paul's Serves at SALLY

We need volunteers!

St. Paul's is now supporting the Salvation Army (*aka*SALLY) by preparing dinner **ONCE A MONTH ON THE SECOND SATURDAY** of every month between **2:30 and 5:30 pm**. It is a safe environment, and you can park in the lot behind the Salvation Army for free. Temperatures are checked at the door, everyone wears masks, and gloves are provided in the kitchen. We prepare 50-80 dinners and put our delicious cuisine on trays that we distribute to the hungry folks through a window in the kitchen. It is fun, safe, and secure.

Please let me know if you are available to work on: **Saturday, February 12.**

Hebrews 6:10

"God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them."

Thank you to all those who have previously volunteered.

Blessings,

Bremerton Backpack Brigade

Serving the first needs of the
child, so that they may learn

Hey everyone,

The Backpack Brigade could not exist without your help. The Bremerton School District donates the space we use for our pantry. Administrators, teachers, and staff at every school we serve help the Brigade in countless ways, most of which we never even see. Many local businesses, churches, and individuals donate money and food regularly to keep us moving forward! We're beyond grateful; as a matter of fact, we're flat out awed by all your support.

Without the volunteers this train would never leave the station! You are the heart-beat of our work together. Even during these crazy COVID times, you're still eager to serve. You show up every week, you care, you strive to make a difference, you regularly do more than is asked, and your smiles and willing hands inspire. We cherish you, each and every one of you.

Just in case I haven't reminded everyone lately, your gifts of time and treasure are making a huge difference in the lives of hundreds of children and families every week!

Have a great February everyone. Spring can't be far away now!
