➤ Approval of August minutes:

Richard moved to accept the minutes from August. Jim seconded the motion. Motion passed.

➤ Status of Parish Inventory:

When is it due? The end of September. It must be done by the end of the year.

The inventory is very helpful. Kathleen is grateful.

➤ Rector's Report:

Project Resource – The team would prefer to watch the program on their own and discuss.

The team consists of Joseph, Jan, Richard, & Kathleen

➤ Gutters:

For the Sanctuary & Chapel \$4792 +tax

They will do it in 2-3 weeks.

It would be \$6/ft for screens/filters to be put on.

The bid is higher because they forgot the removal & disposal of old gutters.

Sue moved to accept the bid. Marty seconded the motion. Motion passed.

Budget Rooters – They will clean out all 14 drains/downspouts. Over the years gunk has accumulated. Drains get clogged. They have never been cleaned before. Budget Rooters can get it done in the next few days.

Jim moved to accept the bid. Richard seconded the motion. Motion passed.

➤ Fans vs A/C:

We don't have the ceiling structure for fans.

A/C – Marty suggested we table it for other priorities.

Richard: Put it on the wish list

Jim: I agree

There was a consensus that we do not move ahead with A/C. Tabled

➤ Green Grant: the monies were put in the Capitol fund

➤ Sound System/Cameras:

We have been given a matching gift of \$5000.00

Marty: We need to form a committee to find out what we need.

Jim: suggests Duane de Lessart and Declan Jarry for the team

Marty: What about John Kingslight?

Kathleen: John is not interested.

Marty: suggest Terri & Guy

The suggested team is: Declan, Duane, Terri, Guy, & Josh

Kathleen will make calls & form the committee.

➤ Greeters:

Marty: Things have gotten lax about signing in. She is hoping we could take turns.

Greeters would be: Dick, Marty, Georgann, Tom, Jim, & Sue

➤ Balcony:

We could set it up with chairs & TV. People could sit up there. Do we promote it? Something to think about.

➤ BCP:

We are putting the lyrics on the boards. Streaming needs the lyrics on the boards

- People were clumping. Kathleen will put an explanation in the Halls.
- Camille Richardson is a pianist. She did a wonderful job. She and Kathleen are working on something for the Feast of Animals.
- Pastoral Care:

Kathleen saw Lorene Leider yesterday. She is at St. Joseph's in Tacoma. Lorene is not doing well. It's not the lymphoma.

- Closing Prayer: 8:20pm Kathleen led
